Revised: 4/01/2005

Education:

- Ph.D. Anthropology/Archaeology, Entrance into Program Fall 2002, expected graduation 2006*
Arizona State University
- M.A. Anthropology/Archaeology, awarded 2002*
Arizona State University
- B.A. Anthropology, Graduation with Distinction and Honors, awarded 1995*
University of Kansas

Professional Experience – Employment:

Vice President of Internal Affairs, Graduate and Professional Student Association, 10/2004-present
(expected through May 2006)

Associated Students of Arizona State University, Tempe

This is an elected position. Duties include: Coordination of the Graduate Student Research Competition, Graduate Student Travel Grant, Graduate Student Teaching Excellence Award, Graduate Appreciation Week, Chair of the Internal Affairs Working Committee, Weekly Executive Committee Meetings, and other duties associated with the GPSA Internal Affairs Office.

Research Assistant, Archaeological Research Institute, 12/1997-present

Department of Anthropology, Arizona State University, Tempe.

Duties include: Web site content development and administration, low-level computer network administration, database maintenance, new employee training, collection management duties, artifact catalogue, public outreach, graphic/image preparation. Projects include: La Ciudad, Roosevelt Platform Mound Study, Lower Verde Archaeological Project, and other ARI sponsored projects,

<http://archaeology.asu.edu>, <http://archnet.asu.edu>.

Research Assistant, Department of Anthropology Web Site Revision, 1/2005-present

Department of Anthropology, Arizona State University, Tempe.

Duties include: Working closely with Emily Duwel, Museum of Anthropology, in the redesign and content development for the School of Human Origins and Social Change web site.

Director of Research, Graduate and Professional Student Association, 7/2004-10/2004

Associated Students of Arizona State University, Tempe

Duties include: Support for the Graduate Student Research Competition, Graduate Student Travel Grant, Graduate Student Teaching Excellence Award, and other duties associated with the GPSA Internal Affairs Office.

Laboratory Director, Blue River Archaeological Project, 5/2002-7/2002

Department of Anthropology, Arizona State University, Tempe.

Duties include: development of field and laboratory database, management of database, development of laboratory and field methods manuals, overseeing laboratory crew of approximately 10-15 individuals, household management, laboratory analysis of ceramic, lithic, and botanical materials. Project includes Pithouse through Pueblo Mogollon villages.

Ceramic Analyst, La Quemada Archaeological Project, 7/2000

Department of Anthropology, Arizona State University, Tempe.

Duties include: Technological and stylistic analysis of Epiclassic Period Romos Red-on-buff ceramic materials from archaeological investigation under the direction of Dr. Ben Nelson.

Research Assistant, Teotihuacan Feathered Serpent Pyramid Project, 8/1997-12/1997

Department of Anthropology, Arizona State University, Tempe.

Duties include: data entry into electronic files, under the direction of Dr. George Cowgill.

Archaeology Crew Member, Human Systems Resources, 7/1997-8/1997

Project: Chino Mine Baseline Survey for Phelps Dodge Corp., New Mexico

Duties include: Archaeological survey for Ecological Impact Study, includes 20 hour OSHA (Occupational Safety and Health) training session provided by Chino Mine, Phelps Dodge Corp. Project includes Archaic through Classic Mimbres materials.

Research Assistant and Lab Analysis for Exotics and Special Objects, 5/1997-7/1997

Eastern Mimbres Archaeological Project (EMAP) and Field School, Department of Anthropology, Arizona State University, Tempe.

Duties include: Crew Chief directing 3-6 field school students. Lab Assistant/Director of special objects artifact analysis. Teaching Assistant/Staff for the field project, including supervision of field school students during excavation, field trips, and laboratory analysis. Project includes Classic Mimbres through Black Mountain Phase village.

Lab Technician, Anthropology Collections Office, 8/1996-5/1997

Department of Anthropology, Arizona State University, Tempe.

Duties include: computer inventory and maintenance of anthropological collections, field equipment, assisting with public and student inquiry.

Lab Assistant, Teotihuacan Mapping Project, 12/1996-8/1997

Department of Anthropology, Arizona State University, Tempe.

Duties include: data entry into electronic files, under the direction of Dr. George Cowgill.

Archaeological Technician, Detention Barrack Project at Fort Leavenworth, KS., 5/1996-7/1996

Museum of Anthropology, University of Kansas, Lawrence.

Duties include: Archaeological excavation, survey, flotation, artifact processing and lab analysis. Project a multiple occupation Archaic and village site.

Lab Assistant, Archeo-Botanical Consulting, 1/1996-5/1996

Museum of Anthropology, University of Kansas, Lawrence.

Duties include: sorting of macrobotanical samples with microscope. Project includes Nebraska phase sites in Nebraska.

Archaeological Engineer, Kansas State Historical Society, 5/1995-12/1995

Archaeological Division, Topeka, KS.

Duties include: archaeological excavation, macrobotanical flotation, artifact processing.

Projects include a Proto-historic Wichita Indian site in Arkansas City, KS; excavation of Archaic period sites in Manhattan and Arkansas City, Kansas.

Archaeological Field Assistant, Missouri Highway Department and Transportation, Summer 1994
Cultural Resources Department, Jefferson City, MO.

Duties include: archaeological survey and excavation, artifact processing and laboratory analysis, field map preparation. Projects include Archaic through Mississippian village sites.

Research Assistant, Stockholm Post Office Project, OK., 8/1993-12/1993

Department of Anthropology, University of Kansas, Lawrence.

Duties include: artifact processing and analysis, collection catalogue, archaeological map preparation.
Project a historic post office structure and midden.

Field School Student, Kansas, Archaeology Field School, six weeks, Summer 1993

Department of Anthropology, University of Kansas, Lawrence.

Duties: archaeological excavation, survey, use of EDM and transit, site preparation, laboratory analysis of fauna and lithic materials. Project: Paleo-Indian habitation, bison kill sites, and historic Post Office.

Professional Experience – Programs & Workshops:

Preparing Future Faculty (PFF) Program, Participatory Phase, Arizona State University, 2004-2005.

Preparing Future Faculty (PFF) Program, Exploratory Phase, Arizona State University, 2003-2004.

Integrative Graduate Education and Research Training (IGERT) in Urban Ecology Workshop: *Phoenix Paleoecology Project, Hohokam Preclassic to Classic Transition*, Fall 2002

Research Grants and Awards:

Sigma Xi Organization, Arizona State University Chapter

Grants-in-Aid recipient, \$400, 2004

Arizona State University, Department of Anthropology

Ruppé Prize Paper in Archaeology, Honorable Mention, \$100, 2003

Associated Students of Arizona State University (ASASU) ~now GPSA

Graduate Research Grant Competition, \$1473, 1999

Sigma Xi Organization, National

Grants-in-Aid recipient, \$700, 1999

Eligibility for the NSF subsidy program used to reduce fees for Neutron Activation Analysis at the Research Reactor Center at the University of Missouri-Columbia NSF grant SBR-9802366, 1999

University of Kansas

Summer Undergraduate Research Award, \$1,000 1994

Nelson Scholarship for outstanding graduating senior, Department of Anthropology, \$500, 1994

Academic Scholarship, 1991-1992

Travel Awards:

Arizona State University

Conference Travel Award, Graduate and Professional Student Association, \$500, 2005
Conference Travel Award, Graduate and Professional Student Association, \$500, 2004
R & D Conference Travel Grant, Department of Anthropology, \$250, 2004
R & D Conference Travel Grant, Department of Anthropology, \$200, 2002
Summer Travel Grant from "Friends" of Center for Latin American Studies, \$500, 1998
Graduate Student Travel Grant, Associated Students of Arizona State University \$180, 1998

Teaching Experience:

Arizona State University

Co-facilitator for 3-hour workshop (set of three offerings), "GPSA Grant Reviewer Orientation,"
Fall 2004

Instructor, ASB 321 Indians of the Southwest, East Campus, Spring 2004.

Field Laboratory Director and Instructor, Blue River Archaeological Project

Direct supervision and training of approximately 10-15 students and volunteers for six-week field school (see listing above), 2002.

Unit Excavation Crew Chief, Eastern Mimbres Archaeological Project (EMAP) and Field School
Supervision and training of 4 students in excavation practices, as well as assisting general supervision and training of approximately 30 field school students in six-week archaeological field school, 1997.

Mentoring & Supervision of Undergraduate Volunteers

Numerous ASU undergraduate students have assisted me in analysis, report preparation, and preparation of illustration materials, 1998-2004.

Guest Lecture

"Introduction to Mesoamerican Archaeology", a two-part presentation for Buried Cities and Lost Tribes, New World, Mesa Community College, Fall 2004.

"Cultural Heritage Issues in Museum Management: for ASB Introduction to Museum Studies, Arizona State University, Fall 2004.

"Iconography and Ideology of Teotihuacan" at Haskell Indian College, Introduction to Cultural Anthropology, 1994.

Professional Development, Education

Center for Learning and Teaching Excellence, Arizona State University

4 Part Workshop for Anthropology Graduate Students (8 hours) 9/04

Approaches to Active Learning, 6/1/04-6/4/04 (20 hours) LTE 598

Critical Thinking and Writing, 6/14/04-6/18/04 (20hours) LTE 598

Crash Course in Online and Hybrid Teaching, 6/21/04-6/28/04 (20 hours) LTE 598
Curriculum Vitae Workshop, 9/25/2004 & 10/9/2004
Internet Wisdom, 9/18/2004
Virtual Teaching Assistant, 9/16/2004

Wakonse Conference, Arizona State University: "Diversity and the New American University,"
10/30/2004

Professional Development, Digital Library

Joint Conference on Digital Libraries (JCDL) 2004, Global Reach and Diverse Impact, June 7-11, 2004,
Tucson, Arizona, volunteer and participant.

ECURE: Preservation and Access for Electronic College and University Records, 2004 Conference,
Arizona State University, Tempe, Arizona, March 1-3, 2004, participant.

World Archaeological Congress: Symposium & related sessions: Advancing Access to Digital Data:
Strategies for Preserving Archaeological Digital Records, World Archaeological Conference (WAC5
June 2003, Washington D.C.), presenter and participant.

Research Interests:

Archaeology of Central Mexico, Teotihuacan
Hohokam Ceramic Exchange and Technology
Complex Societies, Urban Collapse, Regional Interaction
Ceramic Technology, Materials Science, Technological Style, Design Analysis
Quantitative Methods, Statistical Computer Applications

Research & Professional Skills:

Field and Laboratory Direction
Artifact Analysis (Ceramics, Lithics, Special Objects)
Quantitative Analysis, Computer Applications
Database and Collections Management
Graphic Preparation and Web Site Development
Project Management
Digital Library

Professional Memberships:

Society for American Archaeology
Society for Archaeological Sciences
Sigma Xi (Associate/student member)
Archaeological Research Institute of America

Phi Beta Kappa

Professional Services:

Arizona State University

Centennial Professor Selection Committee, 2004-2005
Learner Centered Education Grants Review Committee, Fall 2004

Graduate and Professional Student Association of Arizona State University
Graduate Research Grant Competition, Director 2004-2005
Graduate and Professional Student Appreciation Week, Chair, 2004-2005
Teaching Excellence Award Committee Chair, 2004- present
General Assembly Member (Social & Behavioral Sciences), 2003-2004
Chair of Ad Hoc Funding Committee, 2003-2004
Teaching Excellence Award Committee Reviewer, 2003-2004
Graduate Student Reviewer, Graduate Research Support Program, 1997 & 2003

Society of Archaeological Sciences
Web Content Manager (with Dr. Arleyn Simon) 2004-present

Society for American Archaeology
Student Affairs Committee, member. March 2005, 2 year Appointment

Association of Anthropology Graduate Students, Arizona State University
President, 2002-2003
Anthropology Department Student Representative, Spring 2003
Graduate Student Representative, Department Graduate Program Task Force, 2002-2003
Vice-President, 2001-2002
Webpage Administrator and Content Manager, <http://aags.asu.edu>, 2001-present

Graduates in Earth and Life Sciences Research Symposium, Arizona State University
Anthropology Department Student Representative and committee member, 2002-present

Department of Anthropology, University of Kansas
President, Undergraduate Anthropology Club, 1992-1994
Undergraduate Representative for Anthropology Department, 1992-1994
Student Representative for CLAS Assembly, 1994
Museum of Anthropology Volunteer, 1994

- 2003 Environmental and Social Heterogeneity in a Landscape Perspective: A Hohokam Case Study. Poster Presented for LTER Research Symposium at Arizona State University and Graduate in the Earth and Life and Social Sciences Symposium at Arizona State University.

Field Reports:

Blue River Archaeological Project Laboratory Manual, Summer 2002

"Excavation Report for Las Animas Village (LA 3949), Unit 31 Summary" For the Eastern Mimbres Archaeological Field School, Arizona State University. Summer 1997

"Field Report of Ornaments and Special Objects" For the Eastern Mimbres Archaeological Field School, Arizona State University. Summer 1997

Special Interest Research Topics:

Member of the Phoenix Paleoecology Project, January 2002 – present:

Sponsored by Center for Environmental Studies and Archaeological Research Institute, under the direction of Charles Redman, Margaret Nelson and Ann Kinzig.

Presenter and Participant, Long Workshop: Teotihuacan Iconography, 1997

Austin Maya Meetings. Workshop Organizers: Saburo Sugiyama and Deborah Nagao

Participant, Long Workshop: Teotihuacan Iconography, 1996

Austin Maya Meetings. Workshop Organizers: Saburo Sugiyama and Annabeth Headrick

Participant, Long Workshop: Interpreting Mixtec Codices, 1995
Austin Maya Meetings, Workshop Organizer: John Pohl.

Senior Honors Thesis and Summer Undergraduate Research Award, 1995
“Evidence of Militarism on Teotihuacan Art and Iconography.” University of Kansas, advisor: Dr. John Hoopes (University of Kansas) with assistance from Dr. George Cowgill (Arizona State University).

Public Outreach Programs for the Archaeology Research Institute:

The Archaeological Research Institute received the 2003 “Award in Public Archaeology” from the Archaeology Advisory Commission in recognition of our dedication to the protection and preservation of Arizona's archaeological resources.

Web-based Projects:

Archaeological Research Institute Home Page <http://archaeology.asu.edu>, design development and project management, 1999-present.

Archnet: WWW Archaeology Virtual Library <http://archnet.asu.edu>, design development, content management, 2001-present.

“Mimbres Lives & Landscapes” bilingual virtual museum exhibit, design development and project management, <http://archaeology.asu.edu/emap/exhibit.html>, 2002-present.

“The Mystery Beneath the Lake: Who Were The Salado?” bilingual virtual museum exhibit, design development and management, still in development, 2003-present.

Educational materials for K-12 about on archaeological concepts, project management, <http://archaeology.asu.edu/vm/Education/education.htm>, 2003-present.

Public Outreach Event Student Assistant:

Archaeology Expo, an annual two-day event for Arizona Archaeology Month, 1997-2005.
SEE ASU, an annual two-day event for school children and their families, 2004-2005.
Holiday Harmony in Scottsdale, one-day event for community, 2001.
ASU Employee Recognition Picnic, one-day event, 2001-2002.
Preserving Our Past – POP Fair, one-day event, 2000.
Tempe Town Lake Grand Opening Festival, one-day event, 1999.

Graduate Student Tour Guide:

ASU Bring your Daughter to Work Day, Tour Archaeological Research Institute, 2005
ASU Sneaker Tours, the annual ASU We Love Our Collections Open House, 2003-2005.
Homecoming Open House, Archaeological Research Institute, 2003.
Graduate Student Tour Guide for 5th grade class for the ASU Anthropology Museum exhibit, “The Mystery Beneath the Lake: Who Were The Salado?” 2002.
