

## May 2020 roadtrip into Utah, Idaho, and Wyoming

Idaho

23 May

Leave for Payson, via the Bush Hwy: traffic jam; also into Payson. After Payson the 87 into Pine/Strawberry and then looking for the 285 to Meteor Crater ([https://en.wikipedia.org/wiki/Meteor\\_Crater](https://en.wikipedia.org/wiki/Meteor_Crater)).

After Flag: Sunset Crater and lava flow and then 89A via Vermillion Cliffs to Kanab.

24 May

From Kanab on 89 N to Bryce Canyon and 20 to I15 to Pocatello

25 May

To Arco and Craters of the Moon, via 22 and nuclear test site to St Anthony.

26 May

To the West entrance of YS but that is Montana and closed due to COVID; groceries in Ashton instead (Dave' Jubilee) and the Sand Dunes, Kilgore, Spenser, and Dubois.

27 May

On the 33 at Rexburg to Tetonia, Driggs, Victor, to Jackson. Then 191 through the Grand Teton NP to YS and the South Loop.

Old faithful, Firehole Lake, Firehole Canyon, Lower Falls at the 'Canyon'.

29 May

Another trip to 'The Stone' with a 2-hour delay on route 33 because of a truck accident; detour via Alpine (great breakfast burrito). Very interesting silo's in Idaho!

30 May

Leave Idaho to Nevada: 93 to Wells and Ely (via McGill) and ending up in Baker. Wonderful vistas from the Great Basin NP. Wheeler Peak below.

31 May

Leave Baker: 21 to Milford and then Cedar City, 14 to to 89 to Kanab. North Rim still closed so back home (with loads of delays b/c the I17 was closed).
