

# How to Make Polymer 4

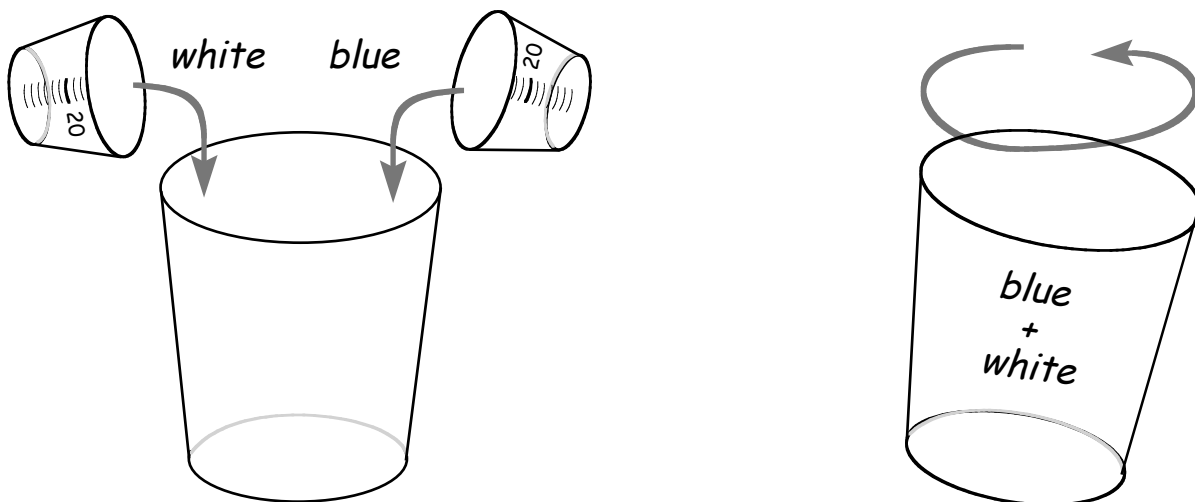

1. Carefully measure 20 mL of white chemical **A4** into a measuring cup

2. Carefully measure 20 mL of the blue colored chemical **B4** into a second measuring cup

3. Add the white **A4** and blue **B4** chemicals to a plastic cup, and swirl the cup in your hand for a few minutes

4. After stirring, roll and stretch it in your hands :)
