Experience

KAET-TV PBS Eight, *Graphic Designer*

January 2010 – May 2010

Graphic designer and chyron operator for daily news broadcasts. Frequently fell into other positions in the newsroom during broadcasts, also doing multimedia journalism including video shooting and editing using final cut pro.

KPHO-TV CBS 5 News, *News Intern*

August 2009 – December 2009

Worked with producers, directors, technical directors, reporters, assignment desk, and editors on rotations. Experienced the fast pace atmosphere of a newsroom. Edited packages and VO/SOT's using AVID NewsCutter. Wrote accurate stories from the news wire for the web.

ASU-TV, *Broadcast Assistant*

January 2007 – March 2008

Operated video switcher, audio console and computers simultaneously to broadcast an interactive distance learning class for ASUtv on Cox and Qwest.

ESPN Sunday Night Baseball, *Production Runner*

January 2003 - October 2006

Assisted the technical and production crew on set up and tear down of the sets. Helped the show's producer with game scoring, and with Sportvision's K-Zone specialty strike zone software.

KAET-TV PBS Eight, *Master Control Director*

June 2003 – June 2005

Operated a Philips MCS 4000 multi-channel on-air system. Ensure quality control of overall programming output of network and local programming. Responsible for switching all commercial and promotional breaks.

Education

Arizona State University, *Phoenix, Ariz.*

January 2007 – December 2010

Bachelor of Arts in Broadcast Journalism - Walter Cronkite School of Journalism

Relevant course work includes: Intermediate News Writing and Reporting, Online Media, and Videography.

Skills
