| 2. John Lewis       | b. 1833* |
| 3. William Lewis    | b. 1834* |
| 4. Charles A. Lewis | b. 1836* |

See Pioneer Lewis Families, Vol. V./729. Ed. Michael Cook. Group 832 contributed by Emmett A. Lewis, Box 260, Tiptonville, Tenn. 38079 John Pitcock was living in Monroe Co., Ky. in 1850. U. S. Census, Monroe Co., Ky. 1850, Household/family- 697/730: 31 August 1850.

John Pitcock	84	No occupation	b. Va.
Mary Pitcock	34		Tenn.
Geo. Lewis	20	(b. 1830)*	Not given

U. S. Census for 1850, Monroe Co., Ky. household/family - 980/1021:

Wm. H. Lewis	53	Blacksmith	b. Va.
Elizabeth Lewis	52		Tenn.
John Lewis	17	(b. 1833)*	Tenn.
William Lewis	16	(b. 1834)*	Tenn.
Charles Lewis	14	(b. 1836)*	Tenn.
Mary Cable	22		Tenn.

- \* Note: The birthyears and names of these children are identical! It seems fairly certain that Samuel Lewis had died prior to 1850 and that his wife Elizabeth Pitcock Lewis had married William H. Lewis. The children given for William H. Lewis and Elizabeth in 1850 are the children of Samuel and Elizabeth Pitcock Lewis.

- II. Other Lewis' from the 1850 census for Monroe Co., Ky. that appear to belong to the same family given with household/family designation found on the Census record:

(1). 869/908 10 September 1850

John M. Lewis	32	farmer	b. Tenn.
Nancy Lewis	28		Ky.
Samuel Lewis	11		Ky.
James Lewis	9		Ky.
Francis Lewis	7	(m)	Ky.
Henry Lewis	5		Ky.
Hannah Lewis	3		Ky.
Joel Lewis	7/12		Ky.

(2) 975/1016 16 September 1850

Theodore Lewis	30	farmer	b. Tenn.
Susan Lewis	23		Tenn.
Henry Lewis	9		Ky.
Louisa Lewis	1		Ky.

(3) 974/1015 16 September 1850

Rhoda Newman	67	b. Va.
Rebecca Newman	26	Tenn.

(4) 973/1014 16 September 1850

John Newman	31 farmer	b. Tenn.
Louisa Newman*	29	Tenn.
Rebecca Newman	8	Ky.
Mary Newman	4	Ky.
Rhoda Newman	2	Ky.
William Smith	10	Ky.

\*Note- other records, Vital Statistics, e. g., show that John Newman married Louisa Lewis.

It appears likely, though proof is lacking, that John M. Lewis, Theodore W. Lewis, and Louisa Lewis Newman are children of William H. Lewis by a wife other than Elizabeth Pitcock Lewis.

The U. S. Census for 1860, Monroe Co., Ky. lists in the household/family of John Newman, 675/679 the following:

John Newman	40	b. Tenn.
Leona Newman	38	b. Tenn.
Rebecca Newman	18	Ky.
M. E. Newman	14	Ky.
Rodah Newman	12	Ky.
Rebecca Lewis*	36	Tenn.
Jane Lewis	8	Ky.
M. L. Lewis	5	Ky.
Wm. Smith	20	Ky.

\* Other records show that Rebecca Newman married Joel G. Lewis. John M. Lewis had a son Named Joel Lewis, age 8 in 1860. It is, therefore, likely that Joel G. Lewis is a brother of John M. Lewis, Theodore W. Lewis, and Louisa Lewis Newman.

The foregoing article was contributed by Dr. D. Hugh Puckett, 729 Morehead Way, Bowling Green, Ky. 42101. Dr. Puckett states: "The enclosed material concerns a Lewis family that had members living in Monroe Co., and in Barren Co., and perhaps represents more than one family. I think it would be appropriate to publish it in "TRACLS" either in installments or as a unit so that other researchers can benefit from it and perhaps help to determine accurate relationships among those people. As I'm sure you know, work with Monroe Co. families is difficult because of burned early records.

I'm attempting to identify the parents of John P.(Porter?) Lewis, my gr. gr. grandfather who married Mary S. Houck in Barren Co. May 7, 1840. It has been suggested that his father was James Lewis who lived on Gardner's Sinking Creek from 1808-1811 but I can find no records of this James beyond the 1811 date and nothing to indicate the names of his children or where he came from. Mr. gr. gr. gr. grandfather Timothy Puckett came to Barren Co. from Orangeburgh District, S.C., in 1798(99) and also owned land in the Gardner's Sinking Creek area, as did his brother Ephraim Puckett.

I've done much work on the Lewis families of Barren Co. and have perhaps the most complete records of anyone doing such work. Will be happy to help anyone if I have the info. It's the Monroe Co. family that I've not been able to determine relationships for and publication of this material could perhaps elicit information from others and provide information so that correct relationships can be determined."
