

**20th Anniversary Southwest Symposium**  
**Movement, Connectivity, and Landscape Change**  
**January 17-19, 2008**

**Call for Poster Submissions**

The Southwest Symposium will host two poster sessions – January 18 and 19. Poster submissions should include title, abstract (no more than 100 words), your name, and your contact information including address, phone, email, and affiliation. We will attempt to accommodate all posters, but if selection is needed, we will notify participants by November 5, 2007.

Posters must be no larger than 3' by 5' and should be on paper, rather than foam-board. **The Posters need to be in Landscape Format.** We will supply poster display boards and pins.

Abstract deadline: November 1, 2007

Please send your submission in a .doc or .rtf format or in the body of your email.
