

Sightseeing Tour Information for ISADS / AHSP / FTDCS 2007 Participants

FTDCS 2007 / ISADS / AHSP 2007 will not organize any sightseeing tours during the conference, because of the intensive technical program and the fact that there are many sightseeing tours offered by the area's tour providers. A number of tours are below. Participants can directly book their sightseeing tours through the hotel conference manager or with the tour providers. Please note that:

- You can book a trip after your arrival at the hotel;
- The services are offered everyday, if weather permits;
- If you want to take the sightseeing tour before the workshop or have any particular requirement, and wish to book the tour before your arrival, you can contact:
