23 What did you like most about this course?
useful technology
The course portion though very vast has been organised very well to cover all concepts and also projects were given involving those concepts.
The concepts are very interesting. It also has given us a chance to learn the . NET platform thouroughly.
very good course material and projects
It has quizzes in every lecture which makes the student listen to the lecture carefully an answer the quiz. Also the assignments are very good
It is more application oriented.
Presentation and Examples with the Assignments
Learning a new language and framework - C#.Net and Visual Studio
homework, Assignments very challenging
You get to see new things and learn technology by doing lots of practical stuff specially when you do assignments.

24 What did you like least about this course?
the material is not good enough
Nothing
I love this course
none
Only focused on one programming language, but it's good if you don't know that language at all you will learn
daily exercises

25 Comments
The course is very interesting and is a must take course for those interested in web development.

none
good course to learn .NET
Overall a good course
